

DANCING *with* **DENISE**

Preschool Dance and More!

We are pleased to announce a new program to the Dancing with Denise Studio.

Pre-school Dance and More! combines a variety of early developmental “basics” (the alphabet, numbers, colors and shapes) which are learned through various teaching tools, such as creative projects, reading time, and music, with our expertise in music and dance. Each week we will concentrate on a different theme in which all learning will be focused around.

Our day will begin with a “Good Morning” to all our friends, followed by circle time, snack, project time and ending with dance class.

Come Join the Fun!
